Sponsorship for a good cause

Chater Road will transform into a haven of fun on 4 December, when the Institute teams up with the Playright Children's Play Association to co-host PlayStreet 2005. The event builds on the fun and excitement of last year's event (pictured), which attracted more than 10,000 people.

Great sponsorship packages are now available in return for prominent publicity before, during and after the event. You can even sponsor a designated zone of the street, the Wishing Tree, 3-D Maze, or Happy Stones. Call us at 2287 7228 for all the details or visit the Institute's homepage if you wish to be part of this exciting event.
