Jet-set Institute

The Institute will be sending representatives to three overseas meetings this month. IFAC will be holding its Board and Council meeting on 15 November in Auckland, New Zealand. Members should look for announcements from the Institute after the meeting date. The Institute will also be present at the Confederation of Asian and Pacific Accountants meeting on 8 November and the IASB Standards Advisory Council meeting on 10 November.

Cultural awareness

Overseas opportunities for Hong Kong accountants are opening up quickly, so attend the Institute's CPD course on cultural awareness, on 12 and 19 November. This teaches those valuable inter-cultural skills to help professionals get the most from their overseas assignments. Register today with the Institute.
