Revolutionise: Food

They say breakfast is the most important meal of the day. Change the way you eat and clean up your diet with the Elea juicer from TEFAL. Turn carrots, cucumbers, tomatoes, celery, apples, pears and pineapples into healthy breakfast drinks. You'll get more of the vitamins and fibre you need to feel healthy and refreshed all day.

A+ Say goodbye to coffee – and hello to a healthy start

Revolutionise: Computing

If you spend too much time typing emails and memos, why not transform the way you use the computer with Nuance's voice recognition software. The program works with all applications of Microsoft Office, and the more you use it, the smarter it gets. Preferred version, HK\$1,800 at any software retailer.

A Yes, you can even use it with Excel

Revolutionise: History

Nelson Mandela is admired and respected by people all over the world – an amazing feat for any politician. So how did this man become a figure of triumph and reconciliation? Read *The Long Walk to Freedom*, Mandela's autobiography. Selected by Harvard Business School Book Reviewers as a fantastic insight on the power of Mandela's perseverance in the face of tremendous odds, the book tells the tale of a man who truly changed the world.
