Preserving your company's value in the current economic crisis – financial implications and strategies

The current financial crisis presents much greater challenges than any economic crisis and recession seen in the last 30 years. This seminar will examine the impact and implications for businesses' financials.

Wee Kang-keng is director of valuation services at Deloitte & Touche Corporate Finance Ltd. CPD hours: 2

Language: English

Date: 1 December

Time: 6:30 p.m. – 8:30 p.m.

What can we learn from the global financial meltdown?

Bernard Chan, a member of Hong Kong's Executive Council and former legislator, will discuss lessons from the collapse of Lehman Brothers, the takeover of Merrill Lynch and American International Group's troubles, and how Hong Kong can rise above these challenges.

CPD hours: 1.5

Language: English

Date: 4 December

Time: 6:30 p.m. – 8:00 p.m.

Quality assurance forum

The Institute's Quality Assurance Director Chris Joy will share some common issues and educational points that have been identified from the practice review and professional standards monitoring programmes.

The forum will present an opportunity to discuss practical ways in which practitioners can address the challenges of complying with professional standards.

CPD hours: 1.5

Language: English

Date: 11 December

Time: 6:30 p.m. – 8:00 p.m.

Analyzing financial statements for accountants (part 2)

J. Wong is a CPA and master degree holder with over 10 years' experience in conducting credit and financial assessments for various leading international banks. This workshop is a continuation of part 1 and will study debt capacity models in financial analysis and other related topics.

CPD hours: 3.5

Language: Cantonese

Date: 13 December

Time: 9:30 a.m. – 1:00 p.m.
