Hon. Paul Chan Mo-po, MH, JP
Accountancy Functional Constituency, Legislative Council, HKSAR

Mr. Paul M. P. Chan is a member of the Legislative Council of HKSAR, representing the Accountancy Constituency. He is a former President of the Hong Kong Institute of CPAs.

Mr. Chan is co-chairman of Crowe Horwath (HK) CPA Limited and he serves on the board of several listed companies and a bank. He holds a MBA degree from the Chinese University of Hong Kong. He is now Adjunct Associate Professor of several universities and frequently lectures on a visiting basis for universities, professional bodies and other institutions.

Mr. Chan has served on many boards and committees of governmental and public bodies, including currently Chairman of the Professional Services Advisory Committee of HKTDC and a member of the Strategic Development Commission of the HKSAR.

On Mainland services, he is a member of Chinese People's Political Consultative Conference of the Shanghai City and an advisor to the Accounting Standards Committee of The Ministry of Finance of PRC.

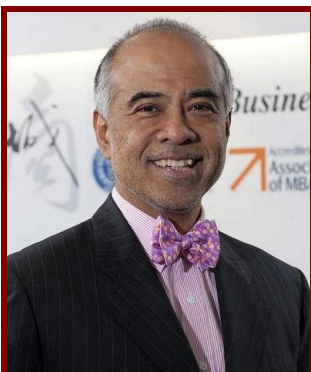

Alvin Tsang
Chief Information Systems Services Manager
MTR Corporation Ltd.

Alvin has corporate-wide responsibility to enable and support business growth and operations by delivering value-added and cost-effective IT solutions.

Over 30 years of IT experience, Alvin's expertise is in IT planning and management, IT strategy development and execution, application management, outsourcing management and vendors management. He is specialized in the application areas of human capital, financial, property, supply chain, asset management and transportation.

Alvin holds Master of Business Information Technology degree and Master of Business Administration degree. He is a certified professional of IT and a council member of the Hong Kong Computer Society.

Micky Lo
Director, Information & Technology Risk Governance, EMEA & APAC regions
Deutsche Bank AG

Over 20 years of IT experience in Financial Service Industry that spans across a diversified IT management disciplines including regional and location management, IT and security architecture, distributed computing engineering, technology infrastructure operation, outsourcing/in-sourcing management, IT risk management and technology audit.

Micky's currently managing the extended arms of Global Information & Technology Risk Governance (I&TRG) for EMEA and APAC regions. He holds the end-to-end responsibility from defining policies and procedures to implementing control processes (e.g. self assessments and mitigation programmes) in I&T Risk/Security and drives a consistent I&T risk governance framework across the Bank. The Regional Teams provide guidance to their respective regional businesses and Global Technology Organization in the application of I&T Security related policies and regulatory requirements, and assist them in their effort to identify and manage these risks.

Micky has held various management positions in IT risk, Infrastructure management and Audit with JPMorgan and Citibank prior to his current role.

Ed Laczynski
Vice President, Cloud Strategy & Architecture, Cloud Infrastructure Group, Datapipe

Responsible for driving Datapipe's cloud computing strategy and for the architecture of new cloud platforms and integrations, Ed came to Datapipe with more than 10 years of digital technology leadership experience. Prior to Datapipe, Ed was the founder and CTO of LTech, a pioneer in enterprise cloud computing products and services. At LTech, Ed led the business and product development vision, achieving significant sales and customer growth.

A frequent speaker and author, Ed is recognized throughout the industry for his thought leadership, vision and experience helping organizations succeed with cloud computing. Ed has also led innovation in digital media and finance in roles at McCann-Erickson Worldwide and Credit Suisse. Ed is a graduate of New York University.
