

Regular Dance Practice 2012

Free practice sessions with non-stop music of Cha Cha, Rumba, Samba, Waltz and Tango are played for you to practise what you have learned. To ensure a more effective organisation of the practice sessions, we have adopted a **pre-registration** procedure since September 2011 for those who wish to come back for the practice sessions. In the absence of any registration, the scheduled session will be cancelled to save manpower deployment. Therefore you are advised to check the At-a-Glance-Calendar (www.hkicpa.org.hk) FIRST before you come back to practise.

Please click [here](#) for pre-registration for the sessions below:
