About the programme

Getting funds from China is always a concern of multinational companies. In this seminar, the speakers will cover the following topics:

- What are the foreign exchange and registration requirements for various remittances, including: service fees, leasing charges, service fees, royalties and dividend.
- What are the PRC tax costs on remitting non-trade payments from China?
- Why management fee cannot be remitted from China?
- Case study: To identify the problems and find solutions to enable remittance.
