

Shenzhen - Hong Kong Football Friendly Match 2006

HKICPA has been invited by Shenzhen Institutes of Certified Public Accountants to participate in a friendly football competition at Shenzhen Stadium on 4 November 2006. Under a clear and sunny sky in Shenzhen, the HKICPA football team has won the Championship by scoring one goal at the end of the match.

The event was ended up with a celebration dinner on the same day. This event has provided a very good opportunity to show our team spirit as well as the exchange of skills and strategies with our counterpart from Pearl River Delta. Let's share their joy and photos of the day:
